RESPONSE TO RESTRICTION REQUIREMENT

Dear Sir:

This is in response to the Restriction Requirement of October 2, 2007. Applicants have filed concurrently herewith a Petition for a four month extension of time along with the requisite fee extending the date for response to March 2, 2008.

The Office Action of October 2, 2007 sets for a requirement of restriction between:

Group I claims (claims 11-36); and

Group II claims (claims 37-41).

An election of species requirement is also made with respect to claims 38-41.

Applicants hereby elect the Group I claims (claims 11-36) drawn to methods of immunoadsorption. Accordingly, the Group II claims (claims 37-41) are withdrawn from further consideration. Since Applicants have elected the Group I claims the restriction of species requirement is deemed moot.

Applicants submit that a complete response to the Restriction Requirement has been filed and request that a first Office Action on the merits be issued.
